Shin Force | Sega Saturn Codes

Sega Touring Car Championship

Sega Touring Car Championship | Alternate Colors/Decals

> Highlight the Alfa Romeo, Opel, or Mercedes. Press **Up** or **Down** for alternate colors and decals on those cars.

Sega Touring Car Championship | Clean Pause

> Press **Start** while racing to pause the game. Then, press **X+Y+Z** simultaneously to get the clean pause screen.

Sega Touring Car Championship | Exhibition Race Mode

> In the Saturn Side just finish the Urban Circuit (bonus race) of the Championship mode once.

Sega Touring Car Championship | Global Net Event Mode

> In the Saturn Side select Options and press **X, Y, Z, X, Y, Z, Y, X**. You'll hear an engine rev to confirm the code. Highlight Global Net Event from the Saturn Side menu and enter these codes to race the events:

1st Event - **X+Start**
2nd Event - **Y+Start**
3rd Event - **Z+Start**

Sega Touring Car Championship | Grand Prix Mode

> In the Arcade Side just finish the Championship mode once.

Sega Touring Car Championship | Sega Racing Proto

> In the Saturn Side just finish 1st in the Exhibition Race mode once to get this sweet car. This also opens up the AI modes.

Sega Touring Car Championship | Unlock Cars/Modes/Tracks

Note: You need the Sega Arcade Racer (steering wheel) for this code to work.
> Plug an Arcade Racer into port two. In Arcade or Saturn Side go to the Options Screen. Select Key Configuration and press **X+Y+Z+Start** simultaneously on the Arcade Racer (timing is critical). You'll hear an engine rev to confirm the code. Here's what you'll unlock:

Arcade Side

- Expert Mode
- Grand Prix Mode

Saturn Side

- Exhibition Race Mode
- Vs. AI Car Mode
- Urban Circuit
- Boom Town Circuit (in Exhibition Race Mode)
- Celica GT-Four (highlight the Supra and press **Z**)
- Lancia Delta HF Integrale (highlight the Alfa Romeo and press **Z**)
- Sega Racing Proto (highlight any car and press **X**)
