

(normal speaking voice)

Hello Miss Marietta. My name is Kim. I am from Franklin and Wiles Investment Bank. May I come in?

Thank you.

(pause)

We are pleased that you have expressed an interest in utilizing our services to increase the worth of your investment portfolio. May I sit down?

Thank you.

(pause)

Shall we review your current investment portfolio?

(pause)

Miss Marietta, I am pleased that you approve of my appearance, but we must keep this discussion at a professional level. I am an administrative android, and I am programmed only to assist the clients of Franklin and Wiles, to review their accounts and make recommendations based upon market trends.

Shall we continue?

(pause)

According to our records, you have a total of thirty five million, two hundred and thirty eight thousand, six hundred and two dollars and seventy cents in offshore accounts.

Does this match your records?

(pause)

Very good. According to our records, you have a total of twenty three million, seven hundred and forty four thousand, one hundred and ninety six dollars and fourteen cents in hedge fund accounts. Does this match your records?

(pause)

Very good. According to our records... to our records... to our records... to our records... to our records... to our records...

I apologize Miss Marietta, I seem to have lost my network connection. I ask for your patience while I try to reestablish the connection.

(pause)

I need to stand up and move around your office. Again, Franklin and Wiles apologizes for the delay that this is causing you.
