July 2026

The image displays a large digital calendar for July 2026. The background is a photograph of a person's legs in a red swimsuit, positioned against a dark, possibly underwater, setting. The calendar grid is overlaid on the image, with dates from Sunday to Saturday. A small inset calendar for June 2026 is visible in the top right corner, showing dates from Sunday to Saturday. The main calendar for July 2026 starts on Sunday, July 1st, and ends on Saturday, July 31st. The dates are arranged in a grid with columns for each day of the week. The background image shows a person's legs in a red swimsuit, with the legs positioned vertically, suggesting they are standing or floating in water. The overall aesthetic is that of a digital display or a large screen in a public space.
